Sundström®

Pro Paint & Body Respirator Kit, M/L

Item No. H05-6621M

- » Non-allergenic, FDA approved Thermoplastic Elastomeric (TPE) respirator
- » Very good face seal means a very high protection factor
- » Easily adjustable V-shaped elastic head harness with a large crown plate
- » Unique inhalation and double exhalation valve design provides **one-half the breathing resistance of competitive respirators**. This means easier breathing and greater respirator compliance
- » Extra large 201 square inch P100 filter area provides an **extremely low breathing resistance, high air flow and extended filter life**
- » High-efficiency P100 particulate filter offers **TEN TIMES more filter effectiveness than required by NIOSH**. Each filter tested for 99.997% filter efficiency
- » Pre-filter system collects coarse particles thereby extending the life of the P100 filter
- » Mask can be used with or without supplied chemical cartridge, and/or a range of chemical cartridges that can be "piggy-backed" together
- » NIOSH approved
- » Easily fit tested and fit checked

- ✓ **BETTER PROTECTION**
- ✓ **GREATER COMFORT & LESS BREATHING RESISTANCE**
- ✓ **250% MORE AIR FLOW**
- ✓ **ADAPTABLE SYSTEM**
- ✓ **FAR LESS COST OVER TIME**

CCI Price: **\$48.40** ea
